

Pergolas Collection

GEM Windows and Doors new line of aluminum frame Pergolas are durable, and weather resistant. Each Pergolas is custom built to size and to suit any backyard space. All of our Pergolas can be ordered with these customizable options: moveable frameless glass walls, motorized roof, windproof & motorized blinds, color choices, LED lighting and heaters. The louvered roof allows you to control the amount of sunlight or shade and provides cover from the elements, and lets you get more use of your outdoor space. Contact a GEM representative today for more information.
