STAGE SECUREPLUS 

PATIO DOORS

Stage Patio Doors are tested under current standards and manufactured under stringent quality standards.

DESIGN PRESSURE

SECURITY GLASS

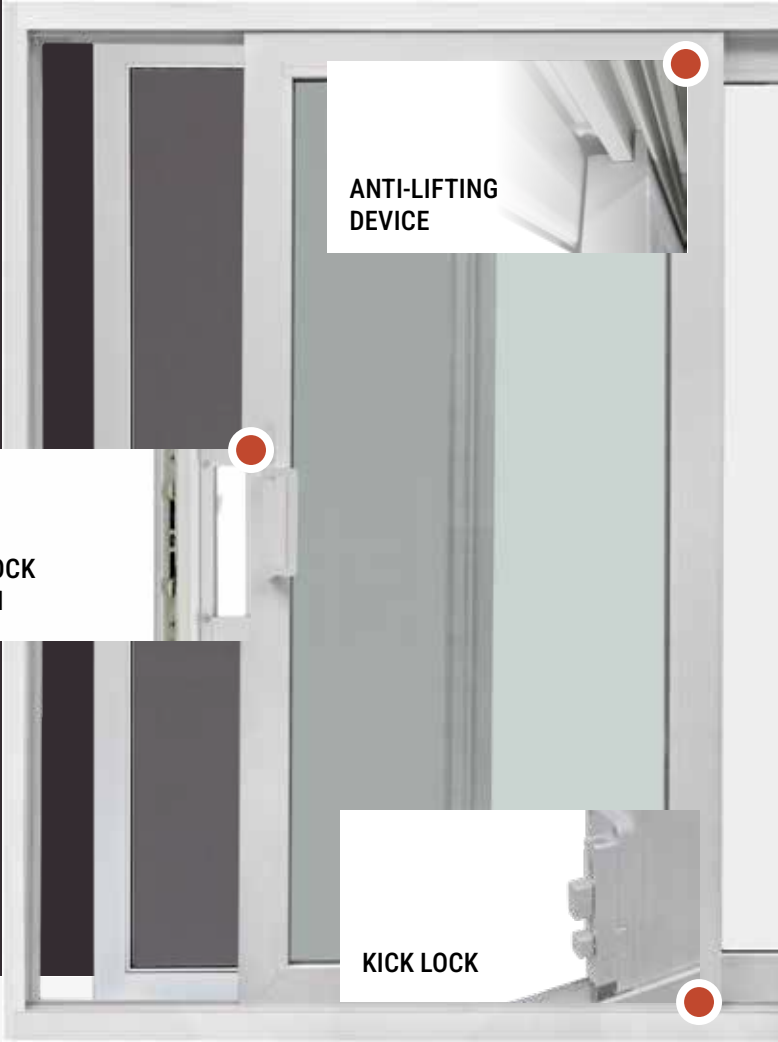

Security glass provides industry-leading protection across every product line — windows, patio and entry doors. It resists forced entry: shards remain bonded to the interlayer, making penetration difficult. Available in double and triple pane units with privacy glass.

- 1 PVB Laminate Interlayer
- 2 Thermal Spacer

STAGE SECUREPLUS 

WINDOWS

Stage Windows deliver superior energy efficiency, lasting durability, and timeless style tailored to the Canadian climate.

A large patio door with a white frame and multiple glass panes. Three callout boxes with red circular markers point to specific features: 'ANTI-LIFTING DEVICE' at the top right, 'TWIN LOCK SYSTEM' on the handle, and 'KICK LOCK' at the bottom right.
